

TAYLOR ENGINEERING, INC.

Jacksonville, FL - March 2007

Eric Holand, P.E. has joined Taylor Engineering, Inc. as a Senior Engineer in the Hydrology and Hydraulics department.

Mr. Holand previously served as Chief of the Hydraulic Design Section of Water Resources at the Jacksonville District, U.S. Army Corps of Engineers (USACE). He earned B.S. and M.E. degrees in Civil Engineering at the University of South Carolina. With 33 years of project planning, hydraulic design and operational analyses experience with the USACE, he provides Taylor Engineering with expertise in hydraulic analyses and design of levees, canals, dams, and all types of water control structures.

TAYLOR ENGINEERING specializes in Coastal Engineering, Hydrology and Hydraulics, Waterfront Engineering, and Environmental Services with offices in Jacksonville, West Palm Beach, Tampa, and Baton Rouge, LA.
